

Cargo Human Care e.V.

December 2019

Dear Members and Friends of Cargo Human Care,

"Thank you!"

Thank you for supporting us so generously again in 2019, allowing us to successfully continue our work in Kenya. We received strong financial support from you and there were amazing activities benefiting CHC such as, for example, the fifth Office City Run which yielded a phenomenal result. Alongside the projects that have been running well since years now, the following highlights were added this year, or are currently being implemented:

- The ceremonial opening of the Happy Child Education Center in January
- The opening of our new leather apprentice workshop in October
- The 3rd Hunger Aid Campaign in Marsabit and the plan for permanent water supply
- The Wings-Academy school extension happening now in Marsabit
- The dispensary in the Massai Mara building work started at the beginning of November

All this was and is only possible because people like you trust us. Only in

this way were we also able to provide a good deal more quality of life for many people in Kenya – people whose lives would be much more meagre without CHC.

On behalf of the CHC Board and in the hope that you will remain loyal towards us, I wish you a wonderful Christmas.
Your FD

Fokko Doyen, President CHC

Unbeatable

Two records at the 5th City Office Run in the Lyon Quarter

It was a wonderful evening run with many happy faces at the finish, great winning times and lots of fun at the After-Race-Party! With a total of more than 1.400 registrations, a new record was achieved. Also, the proceeds of **€ 36,983.29** eclipsed all previous results. CHC will use this sum to employ teachers

at the "Mothers' Mercy Home", who will work with the orphans at weekends and during the school holidays, in order to improve any academic weaknesses such as in English, for example. That is how a great evening run transforms into long-term help for disadvantaged children!

Ceremonial Cheque Handover

City Office Run 2020

We once again hope for great support from runners, helpers, sponsors and supporters. This time, the proceeds will benefit our new project: Sustainable water supply in the Marsabit area.

Save the date:

**6th City Office Run
26.08.2020**

Merry Christmas and a happy New Year★Merry Christmas and a happy New Year

Marsabit urgently needs water

This region in northern Kenya is plagued by droughts time and again. Often, the only option is to flee in order to escape hunger. During the last few months, people have again suffered from a serious drinking water shortage, among them many children and animals, too.

Since 2011, we have been helping around 1,000 families in the Marsabit region with food and constructed and run a school there. The structures that we have set up in recent years together with the Anglican Church, in particular with Bishop Qampicha, are tried and tested and sustainable. We now want to go one step further, and secure people's lives in the long-term, by providing them with drinking water. However, comprehensive technical know-how, equipment and a local presence are indispensable for a sustainable water project,

such as the storage and treatment of rain-water.

Following detailed discussions with the organisation PACIDA and having visited projects that they have already implemented locally, we are convinced that the best solution for a sustainable water supply in the villages that we support, is to financially support PACIDA projects.

For this, we require 45.000 € and your support: Help us to help them!

Support CHC – at no extra cost Amazon Smile

It really does work. We have, in the meantime, already received more than 500 € from Amazon – a good reason to encourage friends and family to select our organisation when buying items on Amazon Smile.

This is how to do it: Simply select Cargo Human Care before you check out your Amazon items on smile.amazon.de. This setting will be saved in your data, and from then on 0.5% of the shopping cart value will automatically be credited to CHC.

Cargo Human Care Calendar 2020

Give double happiness

A perfect present for aviation fans, CHC friends and all those who like to help. With lots of exciting insights in to our CHC- and freighter world.

[Order here now](#)

Or, of course, you can buy and collect it at the usual sales points at Lufthansa Cargo. The price remains unchanged: 12€ + 3€ postage and packaging. If you order three or more calendars, we drop the price to

10€ per piece (plus postage). Thanks to our volunteer Calendar-Team, all revenues after VAT and printing costs, go directly towards CHC projects in Africa. Heartfelt thanks for your support.
